

- **Excessive speeding** – The posted speed limit is 15 mph and neighbors have reported vehicles moving at excessive speeds. Our neighborhood is filled with children running and playing outdoors and speeding is a serious risk. Please slow down when driving through our neighborhood streets and be aware of children playing. Please share this information with other drivers in your household.
- **Littering Cigarettes** - Recently, cigarette butts are being littered at the corner of Eagle Lane and elsewhere on other properties, overflows and along the walking path. We take pride in our community and littering is unacceptable. Additionally, in dry climates littering cigarettes can present a fire hazard. Please take your cigarette butts home with you for disposal.
- **Pets** - Pets are to be curbed and their waste picked up and disposed of at home. Please be considerate of your neighbors when walking your pet and train your pet to use the grassed curbside strip.
